International Union of Pure and Applied Physics (IUPAP)

27th General Assembly, London, U.K., 2-4 November 2011

Resolution Adopted on 2 November 2011

**Endorsing SESAME
(Synchrotron-light for Experimental Science and Applications in the Middle East)**

Resolution 14:

- IUPAP continues to express very strong support for the establishment of SESAME as a critically important regional scientific facility, noting the progress to date
- As a matter of urgency, IUPAP calls upon the relevant bodies to come up with the necessary funding to enable the project's objectives to be achieved
- IUPAP commits, within its own resource limits, to provide financial support to SESAME
